

Q: Describe in detail what happened in the scene. And how many city buses are in the scene?

A: Qwen2.5-VL (RGB-only):

In the scene, there is a small car and a larger vehicle, ... The lighting is dim, with the entrance to the garage being illuminated by natural light coming from outside. The cars are positioned side by side, ... There are no city buses visible in this scene. The focus is on the two vehicles within the garage.

A: Ours RE-VLM (RGB + Event):

The scene shows a car driving on a road with other vehicles, including a city bus. The city bus is positioned behind the car and appears to be moving in the same direction...

Q: What is the color of the vehicle at the center...?

A: EventGPT (Event-only):

The vehicle at the center of the image is black.

A: Ours RE-VLM (RGB + Event):

The vehicle at the center of the image is white.
